Dear Friend,

The members of The Emanons, Inc. extend a cordial invitation to you to join our organization. We are a small group of professional women bound together by common interests. Our objective is to advance our community one person at a time.

The Emanons, Inc. is a nonprofit organization and we are working to provide scholarships to needy college bound students. We also provide book awards to students already attending or planning to attend college. In addition, we support other charitable organizations within our community through volunteer work and donations.

Our current members find our activities and projects to be rewarding experiences and we hope that you will join us and enjoy this affiliation.

Please take time to review the attached package and complete the enclosed application for membership. You can give your completed application to your Emanons sponsor, mail it to the Membership Committee Chairperson at the address below or email it to bea.gaines@theemanons.org.
